

Voluntary Positions: Executive Editors and Social Media Talent

The Dutch Anthropological Association (ABv) supports the interests of all anthropologists living, working or studying in the Netherlands. Our platform, Antropologen.nl, is fully coordinated by the Web Editorial Team: from content creation to webdesign.

The ABv Web Editorial Team is looking for two new **executive editors!** It's a voluntary position (max. 4h/week) in a small but ambitious team of anthropologists.

Position description

Do you want to be part of our Web Editorial Team? Do you want to work towards the ABv's goal of reaching all of those interested in anthropology in the Netherlands with articles, jobs, events, information and more?

As executive editor you will be editing, summarizing and formulating introductions of articles for our website. You will make sure articles and other content are perfected before you post them on the platform and make them public via our social media channels.

Do you like helping others perfect their work? Can you find grammatical and textual errors that most people tend to overlook, and provide serious but constructive feedback?

Please contact us by sending an e-mail to: webredactie@antropologen.nl

The ABv Web Editorial Team is looking for **social media talent!** It's a voluntary position (max. 4h/week) in a small ambitious team of anthropologists.

Would you call yourself a bit of a social media expert? And are you up to speed on current new usabilities of social media? And would you like to be part of our web editorial team and assist in the ABv goal: reaching all working, studying anthropologist and those who are interested in anthropology with stunning stories, articles and news items? Than we would like to get to know you!

As our social media talent you will be in charge of putting the ABv in the picture on all our social media channels (Instagram and Facebook for sure). You would need to be able to react swiftly, and share our content/posts with a creative twist via social media with our followers. Your Ultimate Goal would be to make the social media channels of the ABv a big inspiration for Dutch and international anthropologiss.

What do you have?

- Experience with social media (at least facebook, Instagram. We are open to less experienced people but quick studies)
- A passionate interest in all things interested for anthropologists
- Creative mind
- Affinity with photography and video
- Strong communication skills, enthusiastic and outgoing
- Curious about developments within social media channels

If you see yourself in at least four characteristics, and you want to join our team, we would like to get to know you!

Tell us your story/motivation via [InstaStory](#) or via a personal videomessage on [FacebookMessage](#).
